Yes

Dear Sir or Madam:

On June 26, 2003 you notified the Internal Revenue Service of your intent to terminate your foundation status as a private foundation under section 507(b)(1)(B) of the Internal Revenue Code of 1986 and become a public charity. In our letter of September 4, 2003, we stated that you would be treated as a public charity until the expiration of your 60-month advance ruling period.

Based on the information you submitted at the end of the advance ruling period, we determined that you have terminated your private foundation status under the provisions of section 507(b)(1)(B) of the Code. Accordingly, as of January 1, 2004 you have been reclassified as a public charity described in section 170(b)(1)(A)(vi) of the Code. Since your exempt status was not under consideration, you continue to be classified an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, provides detailed information about your responsibilities as a public charity. You may also wish to access the Life Cycle of a Public Charity and other useful information available on the IRS Charities and Non-profits website at www.irs.gov/eo.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.
