TONY HAWK FOUNDATION

GRANT APPLICATION WORKSHEET

Semester 1, 2018

THE TONY HAWK FOUNDATION IN NO WAY ENDORSES OR PROMOTES THE PRODUCTS OR SERVICES OF ANY SKATEPARK VENDOR, DESIGNER, OR BUILDER. A Federally registered 501c3 California Public Charity, the foundation is committed to working in the best interests of skaters and their communities, offering guidance and suggestions regarding the skatepark *process*, and where applicable, information about skatepark design and construction options that will best serve the needs of each community. Policies, Programs, and Discounts promoted by any particular vendor, designer, or builder are conducted at their discretion and in no way influence or determine decisions made by Tony Hawk Foundation staff or the Board of Directors.

This Grant Application WORKSHEET, not an actual grant application. The **online** grant application must be completed by **Midnight, Monday, January 10, 2018**. It can be found at www.tonyhawkfoundation.org from November 29, 2017 until the deadline.

All supporting documents must be postmarked by **Tuesday, January 11, 2017** and sent to the following address:

Tony Hawk Foundation
1611-A S. Melrose DR #360, Vista CA 92081

In order to consider your skatepark project for a grant, it is important that you present the most accurate, up-to-date information.

If the application will be coming from a non-profit organization other than a municipality, a copy of your IRS Determination Letter indicating your non-profit status **must** be submitted with the online grant application. The Applicant must itself be a public agency or a federally registered non-profit organization, and must be the organization listed on the IRS Determination Letter.

If your organization or skatepark project has already received a Tony Hawk Foundation Grant Award greater than \$1,000, you are **not** eligible to apply again.

THF GRANT APPLICATION DIRECTIONS:

All questions must be answered and completed to the best of your ability. We know that applicants may be in different **stages** of the skatepark-development process, and while you may not be able to answer every question directly, it is important that you do respond to the best of your ability (for example, if you have not already hired a professional designer, discuss *how* you will go about choosing a designer, and which firms, if any, you are considering).

If you find that you are unable to provide most of the information requested, it is in your best interest to not submit an application until you can do so. If you have not yet raised ANY funds, it is also in your best interest to do so before applying for a Tony Hawk Foundation grant. If you are unsure if you are prepared to apply for a grant from THF, please contact us with your questions.

While not all supporting documents and answers are required, the more thorough your application, the better we can assess your project's eligibility for a Grant Award. Building a skatepark is a complex task and we use the requested information to help determine which groups are committed, are prepared to produce a meaningful and significant response to their skatepark need, and have the support necessary to see the project through to completion. We view your thoroughness and thoughtfulness in applying for a grant from THF as a reflection of your organization's capabilities in seeking funds elsewhere.

NOTE: Should your project be awarded a grant from the Tony Hawk Foundation, you will be required to provide status reports on your skatepark project on a regular basis.

If you have questions about the application or the grant process, please e-mail THF at contact@tonyhawkfoundation.org.

Warning! You will not be able to save your application (when *actually applying* on our Web site) once you've begun. Please ensure that you have reviewed the questions and are prepared to complete the application fully before you begin. We recommend that you prepare your answers using this worksheet before beginning your live, online grant application.

The wording and order of the questions in this worksheet *may not* be identical to the online application.

Checklist: Supplemental Documents

Use this checklist to ensure all necessary Supporting Documents are included with your Grant Application. Supporting Documents will be mailed to the Tony Hawk Foundation after your online application is submitted.

Supplement 1: Determination Letter

If this application is coming from a non-profit organization other than a municipality, a copy of your IRS Determination Letter must be submitted with this application.

Supplement 2: Financial Statements

Please include the most recent financial statements and budget of the skatepark committee, if any. (Please *don't* include your municipality's entire budget. We just need to see numbers pertinent to the skatepark project.)

Supplement 3: Community Support Evidence

Please include documentation of community support for your skatepark, such as newspaper clips or letters from prominent officials. Unfortunately we cannot accept digital media files such as DVDs or thumb drives.

Supplement 4: Skatepark Design

A copy of your skatepark design **must** be submitted. A final design of the proposed skatepark is preferred, but a preliminary design is acceptable. The Tony Hawk Foundation Design Committee will review each skatepark design, make recommendations to the Board of Directors, and may return the diagram to applicants with comments and feedback. Submitting a copy of your skatepark design helps the Board understand the scope of your project. *Please ensure that your skatepark design fits on a single letter-sized (8.5 x 11") piece of paper.*

This Grant Application **WORKSHEET** is valid through **January 10, 2018**.

Applicants **MUST** complete an online Grant Application (accessible at www.tonyhawkfoundation.org after **November 29, 2017**) to be considered for a Tony Hawk Foundation grant. Supporting documents accompanying the online grant application must be postmarked by **January 11, 2018** and sent to the following address:

Tony Hawk Foundation

1611-A S. Melrose DR #360, Vista CA 92081

For the latest information and deadlines, or to access the online grant application after **November 29, 2017**, go to www.tonyhawkfoundation.org.

Grant applicants are notified approximately 60 days after successfully submitting their complete applications. Tony Hawk Foundation staff strives to provide useful feedback to every applicant regardless of award outcome.
